

BLS on the Internet

The BLS Internet site offers instant access to a wide range of economic data and information.

For example, you can:

- ♦ Discover how much American families spend on food, rent, cars, or entertainment.
- ♦ Learn how much prices have increased in your lifetime.
- ♦ Use the Occupational Outlook Handbook on-line to research future employment prospects.
- ♦ Review pay scales for a wide variety of occupations in over 100 localities across the country.
- ♦ Discover the most dangerous occupations and industries.
- ♦ Access major economic indicator data immediately upon release — Consumer Price Index (CPI), Producer Price Index (PPI), national, state and local employment and unemployment statistics, national productivity estimates, and the Employment Cost Index (ECI).

You will find the BLS Home Page at:

<http://www.bls.gov>

To access data using Anonymous FTP, use the Internet address:

<ftp://ftp.bls.gov>

Local and regional reports prepared by the Bureau's Philadelphia Regional Office are available at:

<http://www.bls.gov/ro3/home.htm>

A summary of the Mid-Atlantic's economy is available at:

<http://www.bls.gov/ro3/ro3econ.htm>

Contacts

Please contact the Philadelphia Economic Analysis and Information (EA&I) Office for regional and national information. Staff economists can advise you on the availability of data, publications, and information services. In addition, we can assist you with technical questions and with the interpretation and application of BLS data.
